Size Designation:

Wide

Unit Type:

Bicuspid and molar

Matrix Retainer Size Designation:

2

Product Name:

Band matrix dental tofflemire adult size no 2 12s

Special Features:

For use with retainer nsn-6520-00-552-3150 and nsn-6520-00-985-7123; tofflemire; adult size

Material:

Steel, corrosion resisting

Material:

Stainless steel

Specification Or Standard:

li type and 3 class and 2 size

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T243-f
