**Environmental Protection:**

Corrosion resistant

**Physical Form:**

Paste

**Material For Which Formulated:**

Chromium-cobalt and gold

**Specific Metal For Which Formulated:**

Gold dental alloys and chromium-cobalt dental alloys

**Product Name:**

Flux soldering paste for blowpipe or elect soldering machine

**Special Features:**

For blowpipe or electric soldering machine

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T166-s
