Environmental Protection:

Corrosion resistant

Physical Form:

Paste

Material For Which Formulated:

Chromium-cobalt and gold

Specific Metal For Which Formulated:

Gold dental alloys and chromium-cobalt dental alloys

Product Name:

Flux soldering paste for blowpipe or elect soldering machine

Special Features:

For blowpipe or electric soldering machine

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T166-s
