Overall Length:

1.125 inches

Blade Length:

21.000 millimeters

Handle Material:

Plastic or brass

Handle Surface Treatment:

Nickel or chromium over nickel

Blade Material:

Steel, corrosion resisting

Size Designator:

20

Product Name:

File pulp canal dental hedstrom standardized 21mm size 20 6s

Special Features:

Hedstrom; standardized; short-handled

Quantity:

6

Specification Or Standard:

I class

Departure From Cited Document:

As modified by handle material and handle surface treatment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T243-h
