End Shape:

Rounded end

Material And Location:

Steel shank err-100 err-100

Cut Type:

End

Head Shape:

Straight fissure

Handpiece Type For Which Designed:

Friction grip

Head Size Designation:

957

Product Name:

Bur dental excavating friction grip ang tungsten carbide957 10s

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-e
