Ply Quantity:

3

Length:

72.000 inches

Impregnation Material:

Aluminum sulfate

Unit Package Quantity:

1

Unit Package Type:

Dispenser

Product Name:

Gingival retraction cord impregnated dental 3 ply cotton

Exterior Container Weight:

40.00 pounds

Exterior Container Cubic Measure:

1.00 cubic feet

Exterior Container Quantity:

576

Special Features:

For use in gingival retraction during dental procedures; cord shall have a mercerized finish; small size

Material:

Cotton

Material:

Cotton

Intermediate Package Quantity:

12

Unit Of Issue Cube:

0.002 cubic feet

Supplementary Features:

0.019 inch (0482 mm) thick cord; consist of three separate strands; ly; 0.008 inches; (0.203 mm) thick

Unit Of Issue Weight:

0.07 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T243-e
