Overall Length:

15.0 centimeters

Usage Design:

Lower roots and crowned anteriors

Design Designation:

Ash

Joint Type:

Hinged

Product Name:

Forceps tooth extracting no.74nx

Surface Treatment And Location:

Passivate

Special Features:

W/ spread handles; pattern 74nx

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A51710
