Overall Length:

7.000 inches

Usage Design:

Lower molars

Design Designation:

Teeth

Joint Type:

Hinged

Product Name:

Forceps tooth extracting style 23 stainless steel 7in

Special Features:

Finger grip portion of handle shall be knurled; 23

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51710
