Width:

5.000 inches

Thickness:

0.080 inches

Unit Package Type:

Package

Product Name:

Plastic strip den surface protection plastic 0.08in thk 5in w 25s

Exterior Container Weight:

820.00 pounds

Exterior Container Cubic Measure:

0.08 cubic feet

Special Features:

For fabrication of rigid bruxism splints, periodontal stabilization splints, bite planes, surgical bases, orthodontic retainers, space maintainers, and temporary partials

Material:

Plastic

Material:

Plastic

Unit Of Issue Cube:

0.046 cubic feet

Unit Of Issue Weight:

2.08 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T243-e
