Overall Length:

7.000 inches

Design Designation:

Jaquette

Material And Location:

Steel, corrosion resisting both ends err-100 err-100

Product Name:

Scaler dental cres jaquette design double ended

Special Features:

Handle, hollow or solid, serrated or knurled, identification marked; double ended

Unit Of Issue Cube:

0.004 cubic feet

Unit Of Issue Weight:

0.07 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-d
