Design Designation:

Hargis

Features Provided:

Self-retaining

Product Name:

Retractor oral stainless steel hargis coronoid type

Surface Treatment And Location:

Passivate

Exterior Container Weight:

0.1562 pounds

Exterior Container Cubic Measure:

3.7488 cubic feet

Exterior Container Quantity:

1

Special Features:

Hargis; coronoid type; for retracting tissue on the anterior border of the ramus

Material And Location:

Stainless steel

Unit Of Issue Cube:

0.6240 cubic feet

Unit Of Issue Weight:

0.026 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A523b0
