Overall Length:

7.750 inches

Blade Quantity:

1

Usage Design:

Protects major blood vessels on the medial aspect of the mandibular ramus

Blade Type:

Curved

Design Designation:

Ramus

Grip Type:

Fluted

Design Form:

Curved right

Product Name:

Retractor oral ramus crs passivated crvd rt medial unit 7.75" lg

Surface Treatment And Location:

Passivate

Special Features:

Medial type

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A523b0
