End Shape:

Round

Material And Location:

Tungsten carbide head and steel shank

Head Shape:

Pear

Handpiece Type For Which Designed:

Friction grip angle

Head Size Designation:

329

Product Name:

Bur dental excavating friction grip angle hndpc tung carb 329 10s

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-e
