Overall Length:

7.750 inches

Blade Quantity:

1

Usage Design:

Protects major blood vessels off the mandibular ramus

Design Designation:

Hargis

Design Form:

Curved left

Blade Point Type:

Blunt

Product Name:

Retractor ramus medial curved left hargis

Surface Treatment And Location:

Passivate

Material And Location:

Stainless steel

Unit Of Issue Cube:

0.001 cubic feet

Unit Of Issue Weight:

0.01 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A523b0
