Unit Package Quantity:

100

Physical Form:

Powdered

Unit Package Type:

Box

Setting Time:

2 minutes

Workable Consistency Temperature Rating:

72.0 degrees fahrenheit

Hydrocolloid Base Type:

Alginate

Special Features:

Premeasured, packaged in individual envelopes; fast set; wild cherr flavored

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T243-d
