Usage Design:

Dental

Abrasive Material:

Silicon carbide

Product Name:

Wheel abrasive den silicon carbide shape tc4 u/w shank hndpc 12s

Special Features:

Shape tc4; use w/shank handpiece; for finishing porcelain, composites, gold and silver alloys; unit q type 12

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06900
