Specific Use:

Bicuspid

Design Designation:

Ivory

Material And Location:

Steel, stainless

Jaw Quantity:

2

Pattern/style Identification:

14a

Product Name:

Clamp rubber dam dental ivory 14a ss bicuspid jaw q type 2 winged

Special Features:

Winged-type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-d
