Unit Type:

Centrifugal

Err Default:

Err default

Product Name:

Casting mach den metals centrifugal thermostatic switch 115v50hz

Special Features:

Electronic-induction, centrifugal, 220v, 50/60 hz, ac; casting arm speed of 500 rpm; standard electronic eye; semi-automatic operation; simplified casting technique; all solid-state circuitry; adjustable cradle; self-contained water system; interlocking safety cover; small, compact design; laboratory-proven; nationwide technical support

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T243-a
