**Physical Form:**

Paste

**Usage Design:**

Crown restoration

**Weight:**

5.0 grams

**Curing Process Type:**

Heat

**Product Name:**

Resin restorative den paste 5gm dark gray f crown restoration

**Special Features:**

Composite; herculite xr refill syringe

**Color:**

Gray, dark

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T243-d
