Size Designator:

80

X-ray Opacity:

Included

Product Name:

Post endodontic plastic cone black 0.031in diameter x-ray opaci type 50s

Diameter:

0.031 inches

Special Features:

Built-in v-grooves f/pressure free seating; can be used as a sprue; inlay wax or hydrocollid easily attached; unit q type 50

Color:

Black

Material:

Plastic

Material:

Plastic

Shape:

Tapered

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T243-e
