Tip Diameter:

21.0 millimeters

Size Designation:

Assorted

Point Material:

Steel, corrosion resisting

Design Designation:

Endodontic

Point Type:

Straight

Product Name:

Plugger pulp canal crs endodontic asst size straight point 4s

Special Features:

Luks finger type; short; unit q type 4

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T243-h
