Overall Length:

6.750 inches

Usage Design:

For use in scaling and root procedures

Design Designation:

Gracey

Size Designator:

Size 11/12

Design Form:

Double-ended

Product Name:

Curette periodontal gracey crs 6.75in length size 11/12

Special Features:

After five special terminal

Material And Location:

Stainless steel and copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A520p0
