End Application:

For use in dental restorations

Physical Form:

Paste

Usage Design:

Dental restoration

Weight:

0.3 grams

Curing Process Type:

Light

Product Name:

Resin restorative dent compule tip refill .25 gm shade dy 10s

Special Features:

Compule tip refills; shade dy; dark yellow

Color:

Yellow, dark

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T243-d
