Head Type:

Friction grip

Head Adjustability:

Nonadjustable

Head Material:

Steel, corrosion resisting

Handpiece Design:

Contra-angle

Handpiece Material:

Steel, corrosion resisting

Product Name:

Hand piece high speed fiber optic lubefree ceramic bearing turbine ss

Special Features:

Fiber optic rod, high quality glass design to withstand steam sterilization; lube-free; ceramic bearing turbine; autoclavable

Supplementary Features:

Autoclavable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T243-I
