Current Type:	
Ac	
End Application:	
6520-01-586-9272 de	ental operating unit
Err Default:	
Err default	
Product Name:	
Triton military self co	ntained dual voltage standard delivery system
Voltage In Volts:	
110.0 or 220.0	
Special Features:	
Triton military deliver	ry system; self-contained; dual voltage; for use with dental portable operating system, nsn 6520-01-586-9272;
includes (2) fiber opti	ic hs connectors (part no. 90-5012 and 90-5013), (1) Is hp connector aw syringe (20-0008), straight hv (90-2758),
saliva ejector (90-27	59), solids trap (95-0175), waste purge two liter closed water system (95-0140), air compressor: dual voltage 110/220
v(95-0159), vacuum	: dual voltage 110/220 v (95-0167), wilson art worktop-beige 4 in locking casters (90-2708l), foot pedal (80-0112), foot
control w/ foam wet/o	dry repair kit (95-0107), and handpiece holder bag (08-0016)
Shelf Life:	
N/a	
Unit Of Measure:	
Demilitarization:	
No	
Fiig:	
T107-c
