Physical Form:

Liquid

Quantity Within Each Unit Package:

4.000 gallons

Special Handling Feature:

Corrosive and poisonous

Material Processing Method:

Automatic

Processing Speed:

Rapid

Unit Package Content Form:

Premixed unit

Product Name:

Developer xray film processing liquid premix automatic 4gals

Special Features:

1GAL-LO-N(3-.8LI

Supplementary Features:

Subject to damage by freezing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24700
