Mounting Characteristic:

Mounted

Character Design:

Gothic uppercase letter

Character Height:

0.234 inches or 0.266 inches

Character Designation:

Letters r and l

Character Material:

Lead

Character Thickness:

0.034 inches or 0.044 inches

Mounting Strip Length:

Between 0.615 inches and 0.635 inches

Mounting Strip Width:

0.312 inches

Product Name:

Marker xray film id gothic uppercase letters r and l

Supplementary Features:

REPL-AC-EME-NTFO

Specification Or Standard:

B set and 3 class and 1 size

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T140-j
