Capacity:

2.000 cubic centimeters

Product Name:

Gel transmission ultrasound 2cc cap 2x9cm aqueous pad standoff6s

Special Features:

Disposable; standoff; 2cm x 9cm aqueous gel pad; for use in procedures where near field visualization is required; unit q type 6

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-b
