Product Name:

Additive developer x-ray film 5 fl oz do not freeze

Exterior Container Weight:

42.00 pounds

Unit Of Issue Cube:

0.012 cubic feet

General Description:

Tropical solution; 5 fl oz; for processing x-ray film by producing an effect similar to lowering high temperature of developer solution for optimal processing in an elevated temperature environment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
