Overall Length:

2.400 inches

Overall Height:

13.300 inches

Overall Width:

7.600 inches

Voltage In Volts And Current Type:

240.0 ac

General Description:

3d zoom imaging; 100-240 vac, 50/60 hz and rechargeable lithium battery; international pal video output format; w/australian 3 angle pin plug, p/n p00849-01; hand held ultrasound unit; 140 db dynamic range; 120 image storage memory; frame by frame viewing; clinical analysis pkg; user interface; transducers; color power doppler

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
