Pr∩	duc	t Na	me:

Cleaner screen contains fluorinated surfactant

Special Features:

Formulated for care of kodak min-r, min-r medium, min-r 2000, and min-r 2190 screens; waterbased, contains a fluorinated surfactant; greatly lessens the charging of the screen during contact with the film and the propensity for the screen to attract and hold dirt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
