Current Type:

Ac

Lamp Quantity:

1

Lamp Type:

Incandescent

End Application:

Densitometer radiographic film model tbx

Voltage Rating:

Between 115.0 volts and 230.0 volts

Operation Method:

Photoelectric

Unit Type:

Transmission

Light Type For Which Designed:

Built-in source

Product Name:

Densitometer photoelectric transmission incandescent lamp

Special Features:

Includes calibration wedge

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T150-d
