**Product Name:**

Transcreen intensifying le 35x43 cm (1) screen

**Special Features:**

Kodax biomax transcreen le intensifying (single screen) 1 c-2 so-885; for low and medium energy isotopes; provides increased sensitivity for all isotopes; thinner phosphor layer than transcreen he offers greater resolution for 32p and 125i

**Length:**

14.000 inches

**Width:**

17.000 inches

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T140-k
