Human Diagnostic Ultrasonic Unit Probe - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6525-01-537-5248

End Application:
Logiq 9 ultrasound
Product Name:
Matrix array transducer
Special Features:
Broad spectrum 3-8mhz convex active matrix array transducer with 75 deg. Fov and a 55 by 18mm footprint; preferred applications for abd
ob, gyn
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
