End Application:

6525-01-511-7357 scanning system, computed tomography, mx8000 and 6525-01-560-1408 scanning system, computed tomography, brilliance 16

Product Name:

Interrupter assembly zero position mx8000 and brilliance

Special Features:

For the mx8000 and brilliance ct scanners

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
