Capacity Rating:

75.0 milliliters

Closure Type:

Press-lug lock cap or child resistant, arrow alignment

Special Features:

Light resistant, polypropylene or polystyrene, closure liner, wide mouth

Color:

Any acceptable

Material (non-core):

Plastic, polystyrene

Material:

Plastic polystyrene

Shape:

Cylindrical

Specification Or Standard:

E size and i type

Fsc Application Data:

Prescription bottle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T116-b
