Expanded Diameter:

6.000 inches

Extended Length:

500.000 feet

Product Name:

Tubing sterilization nylon 6 inches wide flat 500 feet

Special Features:

Used for packaging medical supplies for steam sterilization and storage; for sealing iron order 3540-00-299-9811; may not be used in high vacuum sterilization

Color:

Colorless

Material:

Nylon

Material:

Plastic polyamide

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T265-d
