Sterilization Tubing - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6530-00-104-7530

Expanded Diameter:
6.000 inches
Extended Length:
500.000 feet
Product Name:
Tubing sterilization nylon 6 inches wide flat 500 feet
Special Features:
Used for packaging medical supplies for steam sterilization and storage; for sealing iron order 3540-00-299-9811; may not be used in high
vacuum sterilization
Color:
Colorless
Material:
Nylon
Material:
Plastic polyamide
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T265-d
