Physical Form:

Sheet

Unit Package Type:

Box

Product Name:

Indicator steriliz sensitized paper or fabric test record9x12"31s

Exterior Container Weight:

33.00 pounds

Exterior Container Cubic Measure:

1.641 cubic feet

Exterior Container Quantity:

48

Special Features:

Flexible to conform to irregular contours in surgical packs, a light background shall be over-printed w/a darker colored steam-heat sensitive ink, the ink shall undergo a uniform color change in the presence of a vacuum, or absence of air when exposed to steam heat for 3-1/2 min. At 272 degrees f, or for 15 min at 250 degrees f, unit q type 31

Intermediate Package Quantity:

12

Unit Of Issue Cube:

0.010 cubic feet

Unit Of Issue Weight:

0.35 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T396-a
