Mounting Type:

Caster

Overall Length:

48.000 inches

Overall Height:

40.500 inches

Overall Width:

24.000 inches

Top Shape:

Rectangular

Drawer Quantity:

2

Product Name:

Table surgical instr & surgical dressing crs 48x24x40.50 inches

Special Features:

Casters are electrically conductive, having wheels a min diameter of 3 inches, two casters shall be nonswivel type, and two shall be swivel type w/foot operated brakes

Material:

Steel, corrosion resisting

Material:

Stainless steel

Specification Or Standard:

li type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T265-e
