Major Components:

Adjustable removable headrest; armrest; footrest; foot - ring

Design Type:

Foot pump pedestal

Upholstered Component Name:

Headrest

Upholstery Material:

Any acceptable

Product Name:

Chair exam and treat surg foot pump pedestal adj headrest

Exterior Container Weight:

245.00 pounds

Exterior Container Cubic Measure:

25.000 cubic feet

Exterior Container Quantity:

1

Special Features:

W/slide fasteners; protective container for light head assembly of surgical ceiling light, 6530-00-027-5018; air force, restricted for issue to math field units

Color:

Black or blue, space or blue, williamsburg or camel or chestnut or green, moss or orange, mandarin or red, golden or tan or tan, british

Unit Of Issue Cube:

25.0000 cubic feet

Unit Of Issue Weight:

245.0000 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T243-k
