Current Type:

Ac

Product Name:

Dispenser liquid unit dose auto/manual oper120/230v50/60hz ac

Voltage In Volts:

110.0 and 120.0

Special Features:

Auto or manual operated; 110/120v; 60 hz, ac; dispenses sterile/nonsterile liquid in measured volumes of 0.5 to 250ml; single speed peristaltic action pump; resettable digital counter; w/foot or hand switch; 3 mm id tubing f/intravenous additives; 3/6 mm id silicone rubber tubing w/borosilicate glass fitting f/dispensing unit dose liquids

Frequency In Hertz:

60.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-f
