Size Designation:

Universal

Design Designation:

Krause

Material And Location:

Aluminum tube

Usage Location:

Arm

Product Name:

Support arm upper kraus design hydraulic universal ball-joint

Special Features:

Hydraulic universal ball-joint w/neoprene oil-filled cylinder; eliminates pressure points; adjustable for all sizes; clark socket

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-j
