Current Type:

Dc

Lampholder Quantity:

0

Portability:

Portable

Features Provided:

Oxygen powered

Product Name:

Ventilator volume portable:

Special Features:

1130-VO-LT,-DC;1

Supplementary Features:

Requires a gas power source to be functional; meets aeromedical certification requirements

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-f
