**Overall Height:**

78.000 inches

**Overall Diameter:**

14.000 inches

**Light Adjustment Method:**

Yoke and tilting arm

**Light Adjustment Limits:**

180.0 degrees vertical

**Voltage Rating In Volts:**

115.0 ac and 230.0 ac

**Product Name:**

Light surgical field: 110 volt ac or 24 volt dc

**Special Features:**

One halogen light; mobile; batteries last approximately 4 hours with a 8 hour recharge period; 8 in. Wheels; automatic switch over to 24 volt dc power; packed in a reusable container; for field surgical procedures; may be assembled or disassembled without tools; light shall be supplied with flexible power cord that is a three conductor, number 18 american wire gage or heavier, and shall be 8 ft. In length as measured from plug to plug; lamp shall be rated to last a of 500 hrs and be replaced within one minute by one person without tools

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A06300
