Unit Package Quantity:

200

Physical Form:

Strip

Unit Package Type:

Package

Product Name:

Indicator sterilz strip rapid readout u/w gravity stm sterilizer

Exterior Container Weight:

5.00 pounds

Exterior Container Cubic Measure:

0.05 cubic feet

Exterior Container Quantity:

1

Special Features:

Rapid readout; for use w/270 degrees f/132 degrees c gravity steam "flash" sterilizers; color coded blue; must be used w/attest 190 auto reader; activated upon incubation

Intermediate Package Quantity:

1

Unit Of Issue Cube:

0.05 cubic feet

Supplementary Features:

Cannot be used in pre-vac sterilizer; for monitoring gravity displacement steam sterilization process in one hour; depmeds item for cms, d302

Unit Of Issue Weight:

5.00 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T396-a
