Width:

812.8 millimeters

Length:

1828.8 millimeters

Unit Package Quantity:

6

Unit Package Type:

Package

Special Features:

72 inches long; 32 inches wide; short-term use; dermatologically safe; flammability rated as dni (does not ignite); designed to transfer heat away from patient

Material:

Plastic polyurethane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T087-b
