**Width:**

812.8 millimeters

**Length:**

1828.8 millimeters

**Unit Package Quantity:**

6

**Unit Package Type:**

Package

**Special Features:**

72 inches long; 32 inches wide; short-term use; dermatologically safe; flammability rated as dni (does not ignite); designed to transfer heat away from patient

**Material:**

Plastic polyurethane

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T087-b
