Surgical Instrument And Dressing Sterilizer - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/6530-01-470-4508>

Shelf Quantity:

2

Closure Method:

Dougle safety locking device

Special Features:

Chamber dimensions 15 inch diameter x 27 inch depth; dimensions 33 x 26 x 21; power consumption 2700 w, 13 amp; 220v

Material:

Steel, stainless

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T265-c
