Overall Length:

28.000 inches

Overall Height:

72.000 inches

Overall Width:

31.125 inches

Current Type:

Ac

Voltage Rating:

120.0 volts

Product Name:

Sterilizer heat&moisture labile med instr&supplies 120v 3.9cu ft

Special Features:

Chamber size is 16 inches wide, 16 inches high, 26 inches deep; 3.9 cubic feet; micro-computer controled, gravity steam sterilizer

Material:

Steel, carbon and nickel

Material:

Steel and nickel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T265-c
